Action Taken Report 2018-19

Action Taken Report on Feedback reports as minute by the Governing Council (GC) of the College.

Meeting held on 8th June 2019.

Sr. No.	Feedback Received from	Feedback Received Report	Action Taken In IQAC Meeting
1	Students	<ul style="list-style-type: none"> Students felt that library hours should be increased for their self-study. Also suggested that Number of Library books not sufficient Need more clarity on explanation for few lab experiments. Lab manuals are perfectly maintained. They suggested that expert lectures can be arranged for fundamental subjects. They felt that more numerical problems are to be solved for analytical subjects Before the semester exam the discussion of previous year question paper and module wise discussion is helpful. 	<ul style="list-style-type: none"> Library timing is extended for self-study of student and more books are added for variety of subjects. Also new reading rooms are to be made available with adequate seating arrangements alongside light and internet facility Concerned instructors are instructed for taking more efforts with respect to teaching methods. More number of lab manuals with latest syllabus are maintained. Concerned teachers are instructed for arranging expert lecture for respective subjects. Through assignments more numerical problems were solved Trying to increase number of such discussion and more practice paper and also doubt clearing class before semester exam.
2	Parent's	<ul style="list-style-type: none"> Parent-Teacher meet should be periodic and frequent Parents suggested that the students must be involved in the industry based projects. Parents suggested need of industry interaction for students Mentors interaction with students can be little more effective. Use of video lectures for theory subject must be carried out Parents want their wards to be trained with leadership and personality development. 	<ul style="list-style-type: none"> We have planned that at least one Parent-Teacher meet per semester is to be organized at Departmental level from next academic year Encourage students to do field projects or internships. Students are encouraged to take industry based projects to get industry exposures Teachers are motivated for use of ICT in classroom. Student and Teachers enroll in SWYAM online Courses The institute is organizing soft skill as well as aptitude training program for students.
3	Alumni	<ul style="list-style-type: none"> Alumni suggested that the libraries facilities need to be improved by adding manuscripts and reference book. Overall alumni have suggested that special care need to be taken on competitive exams like NET/SET/GATE/MPSC/UPSC All the students should be motivated towards research. Also more and more projects must be 	<ul style="list-style-type: none"> Institute has been provided with library facility to access research papers, digital library. Departmental libraries made available in all departments. In next academic year more number of seminars and guest lectures are planned to be arranged by respective departments regarding awareness of competitive exams like IBPS/MPSC/UPSC and preparation of qualifying exams like NET/SET/GATE etc.

		performed as per the society's requirement	<ul style="list-style-type: none"> The students are advised to take projects which will help society. All the students doing project are advised for publication of research paper on their project topic.
4	Teacher	<ul style="list-style-type: none"> Enhance the effectiveness of class rooms on teaching and learning As per the feedback more teachers were asking for modifications in certain part of the syllabus so as to make it market friendly and the student as market ready. The intention was to see that the student Hands –on training on handling instrument in laboratory & software's must be a part of curriculum somewhere in their graduation period. The teachers had of their opinions that they have freedom to adopt new techniques/strategies of testing and assessment of students 	<ul style="list-style-type: none"> Necessary actions are taken based on the reviews So the decision is made to see that the modifications required are to be written to BoS in the University requesting to make the changes based on overall feedback. Most of the teachers have already included modern teaching aids in teaching. They have started preparing power point presentation and other innovative teaching aids to stimulate the students for better understanding.
